

Springfield, Illinois Chapter Membership Scholarship

The AWC Springfield, Illinois Chapter Member Scholarship is intended to provide financial support to self-employed or self-paying AWC members for the Springfield, Illinois Chapter. The \$50 scholarship (\$25 students) is to be applied to an individual's AWC membership dues and is not intended to be renewed annually. With this investment in our members, it is expected that the member be an active participant in the chapter and attend at least three AWC events during their scholarship in order to invest their time and talent back into the chapter.

When an application is received, the Membership VP(s), Treasurer, President and President Elect will review the application and prepare a recommendation. The Membership VP will present the recommendation to the AWC Springfield board as to which scholarships are granted. The names of the applicants are not shared with the entire AWC Springfield board of directors. The final decision to award a scholarship will be made by the AWC Springfield board of directors.

Applications are accepted on a rolling basis. Awards will be made until funds are depleted. Questions can be directed to membership@awcspringfield.org.
